A Touchstone Energy® Cooperative

## Committed to you

**DURING 2019**, your cooperative implemented a strategic plan. The plan has helped us improve our service to you and keeps us focused on our vision. Our vision is to be a reliable team dedicated to enhancing the lives of our members with safe, reliable

and innovative services. Our employees have embraced the plan and we are making progress.

The plan has several goals with specific objectives and action steps with target dates for completion. Many of the action steps have been completed and we are seeing improvement. Employees are also presenting new ideas and we continue to add action steps.

Your cooperative is committed to supporting our local communities and the young people of our area. We have several ways for high school students to get involved, including two trips and a scholarship opportunity.

The Cooperative Youth Summit held in Columbia gives students the opportunity to learn more about electric cooperatives. During the three-day event, they

also get to visit the state capitol and get insight on the legislative process. The Youth Summit is available to current high school sophomores and will be held this summer. The Washington Youth Tour, also held this summer, is a six-day trip where students visit Capitol Hill and meet with Senators and their district's Congressman. They also tour major museums and memorials. Current high school juniors may apply.

We also have an opportunity for high school seniors. Fairfield Electric will award six \$1,000 Touchstone Energy Scholarships to children of cooperative members in early April. For details about these programs, see Page 5 of this issue. Please spread the word and encourage students you know to apply for these opportunities.

In closing, I want to ask for your help. For our co-op and community to thrive now and in the future, we depend on hearing from you. I hope you will connect with us and let us know your perspective. You can always reach me directly at [bbacon@fairfield.coop](mailto:bbacon@fairfield.coop).

## New Single Member Voting District Map approved

**FAIRFIELD ELECTRIC** Cooperative's Board of Trustees recently approved a new Trustee District map. This finalizes the move to single member voting districts. During the 2021 Annual Meeting, members approved changes to the cooperative's bylaws to move to single member voting districts. The cooperative's entire territory

has been divided into nine Trustee Districts.

The board will now have one representative on the board from each of the nine districts and two District At Large board members. The District At Large consists of the entire area served by the cooperative.

A letter with details will be mailed to all members in the coming weeks.

## Touchstone Energy Scholarships available for high school seniors

### FAIRFIELD ELECTRIC COOPERATIVE

is offering Touchstone Energy Scholarships to high school seniors in the cooperative's service area. To be eligible, the student's primary residence must receive electricity from Fairfield Electric Cooperative.

Six \$1,000 Touchstone Energy Scholarships will be awarded to students who are active in their communities. Special consideration is given to need, extracurricular activities, community involvement, recommendations and the student's personal achievements.

For details on how to apply, go to [fairfield.coop/scholarships](http://fairfield.coop/scholarships). The deadline for applications is March 11.

## Co-ops pay taxes too

**WHEN IT COMES** to an electric cooperative there can sometimes be confusion about how it operates since it is not a traditional utility. One of the most common misconceptions is that electric cooperatives do not pay taxes.

While cooperatives are exempt from state and federal income taxes because they operate on a not-for-profit basis (margins are returned to the members), they still pay sales and use taxes, employment taxes and property taxes.

Property taxes are paid on such things as buildings, the land on which the offices and warehouses are located, vehicles, substations and the 3,514 miles of distribution power lines. This is another example of an expense that is recovered through the facilities charge each month.

If you allocate this expense to each active account, it equates to \$107.68 per year or \$8.97 per month.

Following is a breakdown of the property taxes paid by Fairfield Electric Cooperative in 2021:

Richland County	\$1,732,887
Kershaw County	\$874,279
Fairfield County	\$481,019
Chester County	\$309,002
York County	\$229
<b>TOTAL</b>	<b>\$3,397,416</b>

Property taxes are also paid by Central Electric Power Cooperative, the cooperative's wholesale power provider. Central paid over \$1.2 million in property taxes for transmission lines and facilities in the counties Fairfield Electric serves.

## Ready for an experience you won't forget?

2. Said petition in addition to containing the signatures of the required number of members shall also contain the printed or typed name of the member and the address at which said member receives electrical service from the Cooperative. Upon verification that the petition contains the signatures of one percent (1%) or more of the members of the Cooperative and verification the candidate is qualified as provided in Section 4.02 by the CEO of the Cooperative or his designees, said petition candidate shall be added and listed as a nominee as provided herein.

3. The Board of Trustees shall, by policy, adopt a process allowing petition signatures to be collected electronically according to procedures or standards approved by the Board.

4. Said petition must designate the Trustee District from which the nomination is made, or designate nominee or nominees for Trustee at Large, and must contain a statement indicating that the member signing the petition is in support of the nomination.

5. Any person signing on behalf of a member which is not a person shall indicate their authority to sign on behalf of the member.

C. Notification of Members of Nominee or Nominees

The Secretary shall mail to the members with the notice of the meeting, or separately, but at least ten (10) days before the date of the meeting, a statement showing the names and addresses of all nominee(s) from and with respect to each Trustee District and also showing the nominee or nominees for District at Large, said statement to clearly show those nominated by the Committee on Nominations and those nominated by petition, if any.

## Section 4.07. Election of Board Members

The Secretary shall be responsible for providing ballots which may include electronic balloting to be used in the election of the Board members at each annual meeting of the members. The ballots shall list only the names of those candidates who were duly nominated either by the Nominating Committee or nominated by Petition in accordance with Section 4.06 of these Bylaws. The ballots shall designate which of the candidates, if any, were nominated by petition.

Each member of the Cooperative who registers at an annual meeting of the members within a minimum of four (4) hours after the opening of the meeting (or at alternative early voting if applicable) shall be entitled to vote for one candidate from their membership voting district and District At Large (when applicable), as the case may be, at the particular meeting. Each member shall cast his votes by marking his ballot. At any annual meeting of the members at which the total number of members registering at such meeting should equal or exceed the number of members required for a quorum, as defined by these Bylaws, then the election of Board members held at that meeting shall be valid and the candidate from each district, or District at Large, as the case may be, receiving the highest number of votes shall be duly elected to the Board. If the total number of members who register at an annual meeting of the members within four (4) hours after the opening of such meeting should be less than the number of members required for a quorum as defined by these Bylaws, then all votes cast at such meeting shall be void and no members shall be elected at the meeting. No Board members shall be elected at any meeting of the members unless the number of members sufficient to constitute a quorum, as defined by these Bylaws, shall be registered at such meeting.
