A Touchstone Energy® Cooperative

## Committed to a co-op culture for all

**IN THE PAST**, you've heard me expound on why and how Fairfield Electric is different. Simply put, it is because we're a cooperative. Our business model sets us apart from other utilities because we adhere to seven guiding cooperative principles that

reflect core values of honesty, transparency, equity, inclusiveness and service to the greater good of the community.

Electric cooperatives, including Fairfield Electric, have a unique and storied place in our country's history. We democratized the American dream by bringing electricity to rural areas when for-profit electric companies determined the effort too costly. Back then, cities were electrified while rural areas were not, creating the original rural-urban divide. Newly established electric lines helped power economic opportunity in rural areas. Today, that spirit of equity and inclusion is a vital part of our co-op's DNA.

### Equal access for all

When Fairfield Electric was founded in 1939, each member contributed an equal share in order to gain access to electricity that benefited individual families as well as the larger local community. Each member had an equal vote in co-op matters. That sense of equity and inclusion is still how we operate today. Fairfield Electric was built by and belongs to the diverse communities and consumer-members we serve.

Membership is open to everyone in our service territory, regardless of race, religion, age, disability, gender identity, language, political perspective or socioeconomic status. We know members of

our community have different needs and perspectives. Our board and staff strive to reflect those diverse needs when we're making decisions about how best to serve the entire membership.

### Engagement and participation

By virtue of paying your electric bill each month, you're a member of Fairfield Electric, and every member has an equal voice and vote when it comes to co-op governance. This ties back to our guiding principles of equitable economic participation and democratic control of the co-op. We encourage all members to vote in Fairfield Electric's trustee elections at our annual meetings.

While our top priority is providing safe, reliable and affordable energy, we also want to be a catalyst for good in our community. Because we are your local electric cooperative, co-op revenues stay right here. In turn, we invest in our diverse community base through scholarship programs, charitable giving, educational programs and more. We support local economic development projects and work to attract new industries and jobs to our area. We strive to make long-term decisions that improve and enrich the people we serve.

Today's world is radically different than it was when Fairfield Electric was founded. However, our cooperative values have stood the test of time and remain just as relevant today. We recognize that today's co-op members expect more, and my pledge to you—the members we proudly serve—is to promote a cooperative culture of inclusion, diversity and equity for all.

**BRUCE G. BACON**

Chief Executive Officer

STEPHEN RAINES

**FAIRFIELD ELECTRIC COOPERATIVE'S** board of trustees has scheduled the 2021 Annual Business Meeting for Friday, May 21. Due to the current state of the COVID-19 pandemic, and keeping everyone's safety in mind, the decision was made to hold the Annual Meeting as last year. Members will not attend the business meeting in person. There will be several days of drive-thru registration and the business meeting will be livestreamed.

As last year, registration is designed so members never leave their vehicle. Members will register, cast their ballots for the trustee elections and receive a registration gift. All members who register will be entered in the door prize drawings, which will be held at the conclusion of the business meeting.

Look for additional details in future issues of *South Carolina Living* and in the Official Annual Meeting Notice.

Drive-thru annual meeting registration will be held again this year. Members were lined up early at the Blythewood office to register for the 2020 Annual Meeting.

# Summary of Bylaws

## Pertaining to Membership, Annual Meeting, Board Representation and Election Procedure

**ANY NATURAL PERSON**, firm, association, corporation, business trust, partnership, federal agency, state or political subdivision or agency thereof or any body politic or subdivision thereof shall be eligible to become a member of, and, at one or more premises owned or directly occupied or used by him, to receive electric service from Fairfield Electric Cooperative, Inc., by:

- a) filing a written application for membership,
- b) agreeing to purchase electric power from the Cooperative,
- c) to comply with the Bylaws, rules, regulations and rate schedules,
- d) paying the membership fee together with any service security deposit, service connection deposit or fee, facilities extension deposit, contribution in aid of construction required by the Cooperative.

Each member shall purchase from the Cooperative all central station electric power and energy purchased for use on all premises to which electric service has been furnished by the Cooperative pursuant to his membership.

The Annual Meeting of the members shall be held during May, June, July, or August of each year at such a place in one of the counties in which the Cooperative serves on such date and beginning at such hour as the Board shall from year to year fix. The purpose of the Annual Meeting is to elect Trustees, hearing and passing upon reports covering the previous fiscal year, and transacting such other business as may properly come before the meeting.

The business and affairs of the Cooperative shall be managed by a Board of Trustees consisting of eleven (11) members.

The persons named as Board members at previous meetings shall compose the Board until their successors have been elected and shall have qualified and shall be classified as Class A, B and C.

Beginning with the Annual Meeting in 1986, Class A Board members consisting of three members, one to be a resident of District 1, one to be a resident of District 2, and one to be a resident of District 3, and one District at Large member shall be elected by and from the members and shall serve a term of three years or until their successors have been elected and qualified. At the Annual Meeting in 1987, Class B Board members consisting of three members, one to be a resident of District 1, one to be a resident of District 2, and one to be a resident of District 3, and one District at Large member shall be elected by and from the members and shall serve a term of three years or until their successors have been elected and qualified.

Thereafter, at each annual meeting of the members, Directors shall be elected for three (3) year terms with respect to the directorships, which are expiring, and therefore will need to be filled at such meeting. If for any reason an election of Trustees shall

not be held at an annual meeting of the members duly fixed and called pursuant to these Bylaws, such election may be held at an adjournment of such meeting or at a subsequently held special or regular meeting of the members. Failure of an election for a given year shall allow the incumbents whose directorships would have been voted on to hold over only until the next member meeting at which a quorum is present.

### Section 3.07. Order of Business

The President or such other person as the members of the Board may designate to preside at any meeting of members shall first declare such meeting be open and in session at the place, day, and hour established for such meeting, as stated in the notice of the meeting delivered to the members. After opening the meeting, the order of Business at any annual meeting of the members and, so far as possible, at all other meetings of the members, shall be essentially as follows:

1. Registration of members
2. Voting to elect the Board members
3. Receive report from the Secretary on the number of members present and registered to determine the existence of a quorum.
4. Reading of the notice of the meeting and proof of due publication or mailing thereof, or the waiver of notice of the meeting, as the case may be.
5. Reading of unapproved minutes of previous meetings of the members and taking necessary action thereon.
6. Presentation and consideration of information and reports by officers, trustees, and committees.
7. Unfinished Business
8. New Business
9. Adjournment

Notwithstanding the foregoing, the Board of Trustees may from time-to-time establish a different order of business.

### Section 4.06. Nominations of Trustees

Nominations for Trustees to be elected shall be as follows:

- a) Nomination by Committee on Nominations  
It shall be the duty of the Board of Trustees to appoint not less than ninety (90) or more than one hundred twenty (120) days before the date of the meeting of the members at which trustees are to be elected, a Committee on Nominations, consisting of eleven (11) members of the Cooperative, who are not existing Cooperative employees, agents, officers, trustees or known candidates for trustee. "Incumbent Trustees seeking re-election shall not directly or indirectly influence the nomination or credentials process. Said Trustees shall recuse themselves from participation in appointing the Committee, and Cooperative members on the Committee from their Trustee Districts shall be selected without their input or participation. Trustees may not appoint, direct, or cause a family member to become a member of the Committee. ►►

For purposes of this Section, “family member” includes a spouse, parent, brother, sister, child, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandparent, grandchild, and a member of the individual’s immediate family.” Nominating Committee members shall be appointed so that each of the Cooperative’s three Trustee Districts shall have at least three (3) but not more than four (4) members thereon. The Committee shall prepare and post at the principal office of the Cooperative at least sixty (60) days before the meeting of the members a list of nominations for trustee to be elected, listing separately the nominee or nominees with respect to each Trustee District from which a trustee is to be elected at the meeting and listing any nominee or nominees for Trustee at Large to be elected at such meeting. The Committee on Nominations may include more nominees than there are Trustees to be elected, but it shall clearly show which nominees are opposed with respect to the same Trustee District or any Trustee at Large.

b) Nomination by Petition of Members

1. Any one percent (1%) or more than one percent (1%) of the members of the Cooperative as determined and established on the first business day of the current calendar year, acting together over their signatures, not less than fifty (50) days prior to the meeting of the members, may make by petition additional nominations, in like manner listing separately the nominee or nominees with respect to the Trustee District from which they are nominated, or listing the nominee or nominees for Trustee at Large, and the Secretary of the Cooperative shall post such nominations made by petition as herein provided at the same place where the list of nominees made by the Committee on nominations is posted.
2. Said petition in addition to containing the signatures of the required number of members shall also contain the printed or typed name of the member and the address at which said member receives electrical service from the Cooperative. Upon verification that the petition contains the signatures of one percent (1%) or more of the members of the Cooperative by the CEO of the Cooperative or his designees said petition candidate shall be added and listed as a nominee as provided herein.
3. The Board of Trustees shall, by policy, adopt a process allowing petition signatures to be collected electronically according to procedures or standards approved by the Board.
4. Said petition must designate the Trustee District from which the nomination is made, or designate nominee or nominees for Trustee at Large, and must contain a statement indicating that the member signing the petition is in support of the nomination.
5. Any person signing on behalf of a member which is not a person shall indicate their authority to sign on behalf of the member.

c) Notification of Members of Nominee or Nominees

The Secretary shall mail to the members with the notice of the meeting, or separately, but at least ten (10) days before the date of the meeting, a statement showing the names and addresses of all nominee(s) from and with respect to each Trustee District and also showing the nominee or nominees for District at Large, said statement to clearly show those nominated by the Committee on Nominations and those nominated by petition, if any.

## Section 4.07. Election of Board Members

The Secretary shall be responsible for providing ballots which may include electronic balloting to be used in the election of the Board members at each annual meeting of the members. The ballots shall list only the names of those candidates who were duly nominated either by the Nominating Committee or nominated by Petition in accordance with Section 4.06 of these Bylaws. The ballots shall designate which of the candidates, if any, were nominated by petition.

Each member of the Cooperative who registers at an annual meeting of the members within four (4) hours after the opening of the meeting shall be entitled to vote for one candidate from each district, or at large, as the case may be, at the particular meeting. Each member shall cast his votes by marking his ballot. At any annual meeting of the members at which the total number of members registering at such meeting should equal or exceed the number of members required for a quorum, as defined by these Bylaws, then the election of Board members held at that meeting shall be valid and the candidate from each district, or District at Large, as the case may be, receiving the highest number of votes shall be duly elected to the Board. If the total number of members who register at an annual meeting of the members within four (4) hours after the opening of such meeting should be less than the number of members required for a quorum as defined by these Bylaws, then all votes cast at such meeting shall be void and no members shall be elected at the meeting. No Board members shall be elected at any meeting of the members unless the number of members sufficient to constitute a quorum, as defined by these Bylaws, shall be registered at such meeting.
